FFCA SHS Exam Period – June 2026

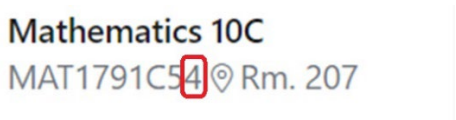
FFCA SHS Exam Day Instructions: Regular Exam Days are scheduled with Friday bus times. All exams will begin at 9:00 AM, and the majority of students will finish their exam well before 1:20 PM when the buses depart. Students who have completed their exam should have a plan to leave campus and return before the bus departure or arrange for their own transportation. Our preference is for students to arrange their own transportation, as we do not have suitable space or staff to supervise students if they finish early.

For the 2025-2026 school year, diploma (gr 12) and school-based final exams (gr 10-11) will be weighted at 30%. Course work is weighted at 70%. Grade 9 students will take PATs in May and June that will count as their final exams and will be weighted as 20%.

On exam days, students should be ready to enter the exam room at about 8:50 AM. They should bring with them only the things they will need for the exam (photo ID (school ID is encouraged), writing tools, 1 approved calculator (no case & only if needed), snacks/water (only water in computer labs), and anything else specified by their teacher). All SHS students have a locker assigned to them to store backpacks, jackets, boots, technology, and other belongings. Students with exam accommodations should discuss their writing location with Student Services.

Alberta Education is moving toward online standardized testing (PATs and diplomas) through a platform called Vretta. This will be used for all Grade 9 PAT exams this year as well as the ELA and Social Studies 30-1 and ELA 30-2 Part A diploma exams and our FFCA ELA and Social Studies 10 and 20 written exams.

In the schedule below, the section number for classes can be found in PowerSchool and Edsby. It is the last digit of the course code as seen here:



Please return textbooks to the Learning Commons on the day of your exam.
